GENERAL INFORMATION

Solving Your Business Finance Needs in Partnership Together

Davenham Asset Finance (Davenham) is an independent asset based lender operating in the SME sector. By working in partnership with our clients and introducers, we gain a full understanding of your needs, and complete the finance process in a positive and efficient manner.

Davenham is a privately owned business based in Manchester with a national sales force, providing asset finance and refinance for all types of UK based businesses.

From our North West headquarters, we have developed strong relationships with brokers nationwide, and have a client base across the whole of the UK including limited companies, partnerships, sole traders, start-up businesses and business turnarounds. We have considerable experience and expertise in funding businesses with a challenging credit history on a case by case basis.

At Davenham, we offer a friendly, flexible and fast service for all types of business. Our core services include; Refinance (non-regulated), Vehicle finance and Plant & Equipment finance.

As an overview, we can:

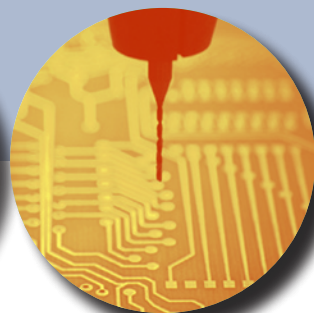

- Offer funding from £15,000 to £350,000
- Give you a decision within hours / next day of receiving the completed proposal documentation
- Fund a variety of new and used vehicles and industrial assets (see separate literature)
- Be competitive, with rates starting from 12% yield
- Consider standard or bespoke payment structures over a term of up to 60 months using both non-regulated Finance Lease or non-regulated Hire Purchase finance documentation
- Provide additional services including refinance and short-term secured funding

55 King Street, Manchester M2 4LQ
